2030 Task Force

Purpose

The Ad Hoc 2030 Task Force is charged with with taking a big picture look at the changes the Town should consider in order to have a more robust and diverse grand list by 2030. The Task Force will explore ways to lower taxes and be more attractive to new businesses, and help current businesses grow and succeed.

Members of the 2030 Task Force are actively involved with the Business District Connectivity Project. For project details, visit the Business District Connectivity Project page.
